IN BRIEF

Welcome to this cute cottage in the middle of a tiny hamlet surrounded by miles and miles of open fields. It may look small from the outside but inside you will find a large kitchen, spacious sitting room with a mezzanine, downstairs bedroom with en-suite bathroom and upstairs there are three further bedrooms, one with an en-suite shower room. Enter the house from the front courtyard into the kitchen which is farmhouse style with a wood burner and room for a kitchen table. From the kitchen there is a long corridor with a shower room, pantry and utility room, which leads to the lovely sitting room with wood burner. Above the sitting room is a mezzanine which could provide space for an office or hobby area. Upstairs there are three double bedrooms, one of which has an en-suite shower room.

NOTES

DESCRIPTION

To the front of the house is an attractive courtyard with a seating area under a pergola and a small pond. Across the lane from the house is a piece of land with a hangar and a workshop. This provides a parking area for the property and all sorts of other possibilities – you could start a vegetable garden, have chickens or just enjoy the peace and quiet of the countryside.

The very popular riverside town of Civray is just 17 minutes away with its attractive square, bars and restaurants. Savigne is the place to go for the supermarket, garden centre and diy shops.
