IN BRIEF

This traditional Charentaise long house has been sympathetically renovated and retains many original features, such as exposed beams, stone walls, and fireplaces. It offers generous living accommodation divided over two floors as well as an indoor heated swimming pool and jacuzzi, shower room, WC and hallway. It benefits from oil central heating / heat pump, double glazed windows, large terrace for alfresco dining and summer barbecues. Behind the house is a good size vegetable garden, large outbuilding / hangar, 2 garages and other outbuildings for storage etc, fully fenced and not overlooked, private parking. It is ideally situated in a quiet hamlet, surrounded by countryside. Only 2.5km from Villefagnan and 12km from the larger market town of Ruffec, with its amenities, schools, hospital and train station. It would make a perfect family home, with potential for B&B, 2 gites and equestrian etc. Potential for further development.
