IN BRIEF

An impressive 5 bed stone property in the heart of the village that was a car at one point and has lived many lives. Split into two the space is excellent with the potential to increase the accommodation by developing the property further. A large separate garage and a private garden make a very attractive package with income potential in the annex/separate unit. Very habitable, but with scope to make your mark. The town of Mortain is around 10km and the popular market town of St Hilaire du Harcouet approx. 14km. Ferries and airports within two hours at St Malo (95km), Caen and Dinard and Rennes. Not to be missed.
