DESCRIPTION

In a dominant position on the hill of the Archet, Organized around a large garden, the project plays on the natural slope of the land to offer each apartment the widest panoramic view of the Baie des Anges and the first foothills of the Mercantour.

Blue Pearl is a private estate that seems to emerge from the original landscape as its

resolutely modern architecture combining the minerality of stone with the warmth of wood blends perfectly into its natural environment.

Designed on a human scale with fragmented volumes around a large garden with Mediterranean essences, the residence is magnified by a magnificent swimming pool delicately nestled in the countryside.

The residence benefits from services exceeding known standards, such as a gym or a guest apartment to welcome friends or families with complete peace of mind.

Finally, underground parking will be available to facilitate your travels and reach your apartment safely.
