IN BRIEF

UNDER OFFER - Great opportunity to purchase a decent plot of land and build your own design. Fantastic location, a large square shape, only 750 meters from the lake Gurson which is a leisure lake providing fishing, sandy beaches, swimming, bar, restaurants and proper WCs! The land to the back of the property is agricultural land and therefore no-one can build behind. In Villefranche de Longchat only 1 km away you have the choice of 4 bars/restaurants, a pharmacy, post office and grocery store. During the summer there are night markets every Friday. Larger towns with supermarkets etc are Montpon at 12 kms and Castillon la Bataille 17 kms. Bergerac airport is 40 kms. Properties in the area are mainly 2/3 beds and single storey. You would need to submit plans and acquire planning permission from the local authority.
