NOTES

DESCRIPTION

This superb apartment, sold fully-furnished, is easy to fall in love with. It is as spacious as a traditional villa but full of character with less upkeep, making it the perfect getaway home or year round residence.

With an original stone archway that is used to frame the wood burner, this makes for an attractive feature in the living room, along with the original stone block floors, huge oak beams and high ceilings. This is a uniquely attractive apartment and a rare find.

The main level (on the first floor) consists of the open-plan living room and kitchen. There is a separate laundry room, storage and W.C. An en-suite bedroom completes the main level. There is a spacious mezzanine that is now used as an office but can also be used as a bedroom if one so wishes. A staircase leads to 2 double bedrooms, one of which has a mezzanine area with extra sleeping space. There is a full-size bathroom and a separate WC on this level.

Walking out of the living room from the beautiful arched doorway is a balcony terrace that overlooks the pool, perfect for eating outside in the summer. There is a further terrace, also overlooking the pool, perfect for hosting larger gatherings and dinners 'al fresco' for friends and family that are sure to visit. To complete the package, there is a storage unit and two private parking places.
