DESCRIPTION

The house is part of a small hamlet and sits in a generous plot of over 3/4 acre overlooking open countryside and views across to the Chateau of Courleon.

It has been restored to a very high standard using local artisans. The accommodation is arranged as follows:

The downstairs is a large open plan space with a fireplace (wood burner fitted) a dining area and fitted kitchen. Open tread stairs lead to the first floor landing giving access to 2 double bedrooms and a shower room with a WC.

To the right hand side is a self contained studio for 2 people which is fully independent of the main house with a kitchen area, bathroom with WC and a mezzanine with a double bed.

There is also a small workshop accessed from the side of the house to the rear.

The house is approached by a private driveway and there is ample parking for 3-4 vehicles.

There are terraces to the front and sides of the house to take advantage of the views and the mature garden has hedges, trees and shrubs and is mainly lawn.
