## IN BRIEF

Ideally located in the La Rossignollette residential area of La Rochelle, close to all amenities, the Horaé development comprises 21 private homes that take advantage of the surrounding green space. These living spaces have a double exposure (south/west) from the living room, garden, terrace or loggia. Your privacy is preserved thanks to the vegetation, so there is little vis-à-vis. The communal areas allow you to share the outside space with your neighbours, particularly around the shared vegetable garden. The micro-forest allows you to recharge your batteries and offsets the neighbourhood's carbon footprint.
