Designed by a reputable, local developer these chalets and apartments are designed and finished to achieve excellence, be it in the features, the views or the location.

St Martin de Belleville is a charming, authentic mountain village in the heart of the Belleville Valley. With its traditional architecture and cobbled streets it has managed to maintain its Alpine charm whilst also becoming a vibrant resort, just as popular in the summer as it is in the winter. Boasting immediate access to the extensive 3 Valleys ski area, and a range of summer activities including hiking, mountain biking and rafting, it's not hard to see why the Belleville Valley is such a popular destination!
