DESCRIPTION

This house is set into the side of a hill, at the top of which is the local chateau, and is full of original/character features. It will make a great home, whether full time or for holidays.

A new roof has recently been fitted !

Just a short walk from the banks of the Vienne river, the front door opens into a hallway with a room to the right 14m² which would make a perfect ground floor bedroom with en-suite bathroom 9m². To the left is a study/office 12m². On the first floor is a big lounge 24m², and a room, 19m², currently used as a bedroom, but would make a lovely dining room. Up a couple of steps is the spacious kitchen 22m² with door opening onto the terrace garden.

On the level above are two more very bedrooms 27m² and 19m².

A few steps above this level is the big family bathroom 22m².

At the back of the house is a small barn/shed in need of renovation and more land going up a steep climb to a flatter area with views over the valley.

The house is in a very picturesque village and just a short drive or cycle 4Km into the medieval market town of Confolens with all the facilities you will need. Limoges and Poitiers with their International airports are both about an hour away.
