DESCRIPTION

This 100 m² chalet is spread over three levels. As you enter the chalet on the first floor, you will find a beautiful entrance hall leading to two bedrooms, a bathroom, a WC and a utility room.

The second level of the chalet comprises the main room of around 38m² with kitchen and access to the terrace, dining room and double lounge.

On the ground floor of the property, you will find the one-bedroom flat of around 23m², ideal for guests or for additional rental income during the season. The apartment is currently habitable, but could use a freshen up.

Access to the cellars is from the road outside.

The chalet offers scope for habitable surface extension and conversion.

Set in the traditional hamlet of Saint Marcel, the chalet is in a dream location, enjoying the calm and relaxed lifestyle of a beautiful, traditional mountain hamlet, whilst being just a stone's throw from the year-round village of Saint Martin, with its shops, bars, restaurants and access to the largest connected ski area in the world. If that hasn't already whetted your appetite, Saint Marcel also boasts the Michelin star restaurant, La Bouitte.
