DESCRIPTION

The chalet comprises on the first level ; 1 bedroom, entrance hall with WC and a large storage cupboard, a spacious living room with open plan kitchen and dining area. The sizable balcony (10m2) offers fabulous views towards the La Fare waterfall and the Oisans valley. The main living space has a very bright and airy feel thanks to the sliding glass doors that open on to a balcony.

A wooden staircase leads from the living room to the second level where we find two double bedrooms, a bathroom with bath & shower, a vanity unit with two wash-hand basins and a separate WC.

The apartment also has a private covered parking space in the basement of the residence, a cellar located on the ground floor of the residence and another private parking space in the outside private car parking area.

In summary this property offers excellent value for money. The location and composition of this unique property offers all the benefits of an individual chalet but with the practicality of a co-ownership. The rental potential makes it an excellent investment opportunity. The view will never be obstructed and its location higher up in the village means it also gets the sun for longer and later in the afternoon.
