DESCRIPTION

This semi-detached property is located in a quaint village called Le Châtelard in the 3 Valleys close to St Martin de Belleville. The house presents as a great renovation project with a large number of possibilities to create your little dream house. On the ground floor there is one room of circa 21sqm and a staircase leading to the first floor of approximately 22.5sqm; you could renovate a room which is under the eaves. The cellar itself has a nice size of 24 sqm. The house has a foot print of approximately 23sqm and so with a bit of clever planning, you could have a property of approximately 80sqm.

The village of Le Châtelard is ideally located just close by to St Martin and its ski lifts that offer direct access to the 3 Valleys! The village is very pleasant also in the summer time offering fantastic view of the mountains and the Valley all around.
