IN BRIEF

Two pretty single-storey houses, each around 80m2, ideally located in the commune of Puyvert in the Luberon nature park, 2km from Lourmarin. These 2 houses face south for maximum sunshine and lovely views over the Luberon countryside, creating a peaceful atmosphere. 1st house - large open-plan living room/kitchen, covered veranda, 2 bedrooms, 1 shower room, utility room and workshop, outside terrace with pergola. Heating by wood-burning stove, electric heater and reversible pump. 2nd house - large living room with French doors leading to the garden and views over the valley, separate kitchen, 1 bedroom, 1 shower room, outside terrace with pergola. Wood-burning stove and underfloor heating (solar panel connection to be finished). Set in 3000m2 of land with olive trees. Further construction is possible and space for swimming pool. Interesting opportunity in terms of seasonal rental, or even dividing the land to create 2 dwellings with separate plots.
