IN BRIEF

Nestling in the Charente countryside close to all amenities, this group of two stone houses combines the comfort and charm of character homes: exposed stonework and beams, terracotta floor tiles, parquet flooring and wood-burning stoves combine with the comfort of a reversible heat pump. The main house, with its 3 bedrooms and 4 bathrooms (2 of which are en suite), is ideal for entertaining family and friends. The adjoining barn could also be used for an extension project. You could also choose to use the second house as guest accommodation or a gîte. The setting lends itself well to this: the terraces, the uninterrupted views and the surrounding paths are ideal for relaxing and walking. For horse lovers, a lovely plot of land (over 1.5 hectares) is adjoining. A property to see without delay, just 2.5 km from Saint-Angeau, 13 km from Mansle (N10 access to Angoulême and Poitiers) and Chasseneuil sur Bonnieure....
