NOTES

DESCRIPTION

On the ground floor, a large dining room of 36 m² opens onto the outdoor terraces and a living room of 48 m² with stone fireplaces and a wood burner. The spacious open kitchen connects with a pantry, a cloakroom and wc.

On the first floor, the landing leads to a master suite with a large bedroom of 48 m², a bathroom (with shower, bath and wc) and another bedroom of 41 m² with fireplace.

On the second floor, a large attic/living space of around 75 m² with cathedral ceilings leads to one ensuite bedroom of around 18 m² (with shower, sink and wc) and another bedroom of approx. 12 m².

The house has central heating throughout as well as double glazed windows.

The back of the house includes a fenced garden of around 415 m² with mature trees and a terrace. The front of the house (inside the farmhouse courtyard) includes another garden (of around 163 m²) fenced with hedges and with another terrace.

The boiler room is accessed from the outside garden of the house. The central & water heating system was put in place in 2020 (with both air-to-air and air-to-water heat pumps). Water softener.

The house is connected to the mains drainage.

This house is the perfect place for a quiet residence that is not too isolated. It is ready to move into and the reasonably-sized garden doesn't require complicated maintenance.
