IN BRIEF

A superb lock up and leave or a full time home as the property is so versatile. The situation is private yet not isolated and in a few minutes, you are in the nearest village for your shopping and morning croissants. Its modern finishes, including double glazed windows, a conforming septic tank, electrics, double aspect wood burner and a timed swimming pool filtration system means you only have to relax and enjoy the environment. It is deceptively spacious and has a very welcoming feel in general. In the summer with all the doors and windows open it is light and breezy and in the winter months with the double aspect wood burner it is cozy and warm.
