IN BRIEF

Beautiful group of buildings for a multi-faceted renovation project. This former 19th century priory has been in the same family for 50 years. They have maintained it and preserved its character. Although it needs some work to make it more comfortable, it is full of old features that give it its charm. Over 1 ha of partly fenced land is suitable for animals. The property has a tennis court that needs cleaning but is functional. Situated in a small, very quiet village of 130 inhabitants, 4 km from a village of 900 inhabitants with all amenities, the property has 4 entrance gates giving access to the landscaped grounds. These 4 different entrances can be used to create a wide variety of outbuildings to suit your needs.
