NOTES

DESCRIPTION

The old village school; one class for girls and one class for boys has been within the same family for more than two centuries. Transformed into a family home, the owners have kept the spirit of the place while making improvements.

without fees

Whether you fancy a large family home or bed and breakfast in a wonderful location; a visit is a must.

After the wonderful double gates, we follow a small wooded path from which appears the huge facade of the house.

Once inside, in the cool of the stone walls, opposite the front door, a solid oak staircase leads upstairs. To the right of the front door, the dining room, with a very beautiful fireplace, wood paneling and two windows. Also on the ground floor the bar, a replica of a Parisian bar, so loved by the owners. There are also two living rooms opening onto the garden, the kitchen, a shower room and the laundry room.

Upstairs, 5 bedrooms, an office with access to the attic and two bathrooms.

The garden in front of the house is very flowery in all seasons and the descent to the lake is a mass of wildflowers in spring.

A wood of some eight thousand square meters is located to the right of the house overlooking the lake.

A large double garage is located to the right of the house with easy access.
