DESCRIPTION

Overlooking the lakes, there is a large cabin with an open-plan kitchen-dining room and a living area with a log fire. Large bedroom with dressing room and bathroom with bath/shower, washbasin and WC.

A new modern glass gîte is under construction. Ground floor 33m² and 1st floor 25m² which will have a balcony overlooking the pond.

Planning permission is in place for a large modern two-storey house. Some materials have already been purchased. Please contact the agent for architect's drawings and plans.

There is also a new 2 bedroom mobile home on site providing additional accommodation.

The property benefits from its own high pressure drinking spring water, mains water (new) and a brand new septic tank. Wifi available on site.

There are 3 lakes which comply with DDT regulations. There is an island in the largest of the ponds with a bridge leading to it. The property is not currently operated as a fishing business but would make an ideal location and excellent opportunity.

There is also the opportunity to purchase an arsenal of machinery including a new 4 tonne digger and implements, 2 tractors and implements, trailers, 5 tonne dumper, ride-on mower, PTO log splitter, chainsaws and Stihl brush cutters.
